

A Musical Tribute to America's 250th Anniversary
A Mission to Support Veterans and Americans
Facing Hardship

This charitable project was created by the “Elke Schark Foundation” to honor America’s 250th Anniversary.

It has one purpose: to bring support and dignity to veterans and people facing hardship throughout the United States.

Together, we can help provide shelter, meals, essential supplies, counseling, and hope.

This song and music video were created as a tribute to the enduring American values of freedom, unity, hope, opportunity, and the belief that every individual can make a positive difference.

♥ **EVERY DOLLAR MAKES A DIFFERENCE**

Your support brings hope, dignity, and a second chance to those who need it most.

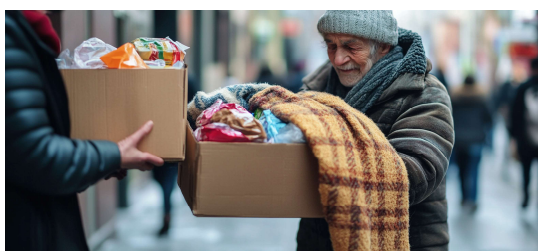

We are committed to ensuring that all donations are used exclusively to support veterans and individuals experiencing homelessness in the United States.

“Every dollar” helps us deliver real assistance — not someday, but today.

♥ **HOW YOUR DONATION PROVIDES DIRECT HELP**

Our primary mission is to provide **homeless veterans and Americans in need** with immediate, practical support that restores dignity and hope.

- **A donation of just \$25 can provide a Basic Survival Kit** containing essential items such as warm clothing, hygiene products, food, and other daily necessities.
- **A donation of \$50 can provide an Extended Care Kit** with additional supplies designed to help individuals living on the streets face difficult conditions with greater safety and dignity.
- **A donation of \$75 can provide a Day of Dignity** for one person. For many people experiencing homelessness, access to a **warm meal, a shower, hygiene facilities, clean clothing, and a safe place to sleep** can make an immediate difference.

We are currently working with respected U.S. nonprofit organizations to identify additional projects where donations can create the greatest possible impact.

Details regarding the selected projects and organizations and the distribution of funds will be published transparently on our website.

About the Elke Schark Foundation

I am the founder of the **Elke Schark Foundation**, established in November 2025 in loving memory of my wife, Elke Schark.

Elke dedicated her life to helping others with compassion, kindness, and unwavering humanity. Her example continues to inspire our mission every single day.

Her belief was simple: Every person deserves dignity, kindness, and hope — especially in their most difficult moments.

Through various charitable initiatives we are planning, our foundation seeks to support people facing hardship, restore hope, and make a positive difference wherever help is needed around the world.

Why I Created This Project

I personally wrote the lyrics for this song and created this video in honor of the American Constitution and the timeless principles that have inspired generations:

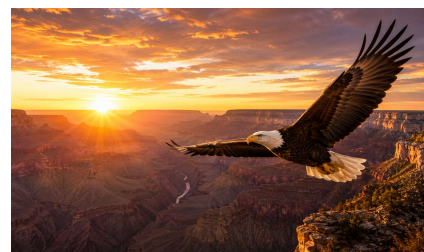

US Freedom

 Justice

 Opportunity

 Unity

 Hope

These values continue to “inspire millions of people around the world” and remind us that even small acts of kindness can create meaningful change.

I dedicate this song to all the people of the United States, especially veterans, those facing hardship, and all the friends I have come to know across this great nation.
